One, Two, Three...Fly!

Baby Bear meets Little Bunny
in the woods.

"Is happiness around here?"

"Yes, happiness is
always here
when I eat carrots."

Today,
Woody's class goes camping.

Woody just sits on a log
with his only friend, Nora.
He doesn't want to help out
the other kids.

When all the other little elephants are singing happily together, Charlie just sits quietly aside listening to them.

Charlie sometimes sings his own songs
when he is alone.

With Mrs. Wind's breeze,
all the little dandelions fly toward
where they dreamed.
