The dining table is covered with  
different food.

There is pumpkin cheesecake,  
smoked chicken salad, ham sandwiches  
and potato soup.

Little Emma smells the  
yummy food and walks into  
the kitchen.

## LUKE & EMMA

Molly comes to visit Luke and Little Emma.  
Today is Little Emma's birthday.

Luke opens the door but he looks worried,  
so Molly asks, "What's the matter?"

"Little Emma caught a cold last night  
and she was sick and weak."

"Fish is very good food for Little Emma.  
But she doesn't like to eat fish,"  
answers Luke.

"Look at those delicious  
fish dishes on the table!"  
"Little Emma refused to take even  
a single bite of them," says Luke.

"Where is Little Emma now?"

asks Molly.

"She's in her bed,"

answers Luke.

Molly comforts Luke and says,  
"Don't worry! I have a good idea."

Molly goes to the kitchen and starts cooking. She makes dish after dish.
