Yang Yu-Jen knew that people in Kenya needed help. So, he asked people all over Taiwan to give their old shoes to **charity**. He **believed** that Taiwanese people had big hearts and wanted to help. He was right! Yang Yu-Jen's charity **collected** over 20,000 pairs of shoes. Why did Yang Yu-Jen and other Taiwanese people work hard to help families they didn't know? Yang Yu-Jen said that seeing the happy people in Kenya was a gift.

**hunt** [hʌnt] *v.* 獵食

# FLYING in the Water

翱翔水中世界

Penguins are **unique**<sup>1</sup> birds. Most birds can fly, but penguins can't. **Instead of**<sup>2</sup> flying, penguins swim. They are great swimmers! They spend about half of their time in the ocean, looking for food. Penguins have black and white feathers. The feathers help them hunt. From **below**<sup>3</sup>, their white feathers look like the sky. But from **above**<sup>4</sup>, their black feathers look like the deep ocean. This helps them stay **hidden**<sup>5</sup>. Penguins are not able to fly, but they do very well in the water!

- ① **unique** [ju`nik] *adj.* 獨特的
- ② **instead of** *phr.* 代替
- ③ **below** [bɪ`lo] *prep.* 在…下面

- ④ **above** [ə`bʌv] *prep.* 在…上面
- ⑤ **hidden** [`hɪdn] *adj.* 隱祕的；隱藏的
