Little Red Riding Hood

小紅帽

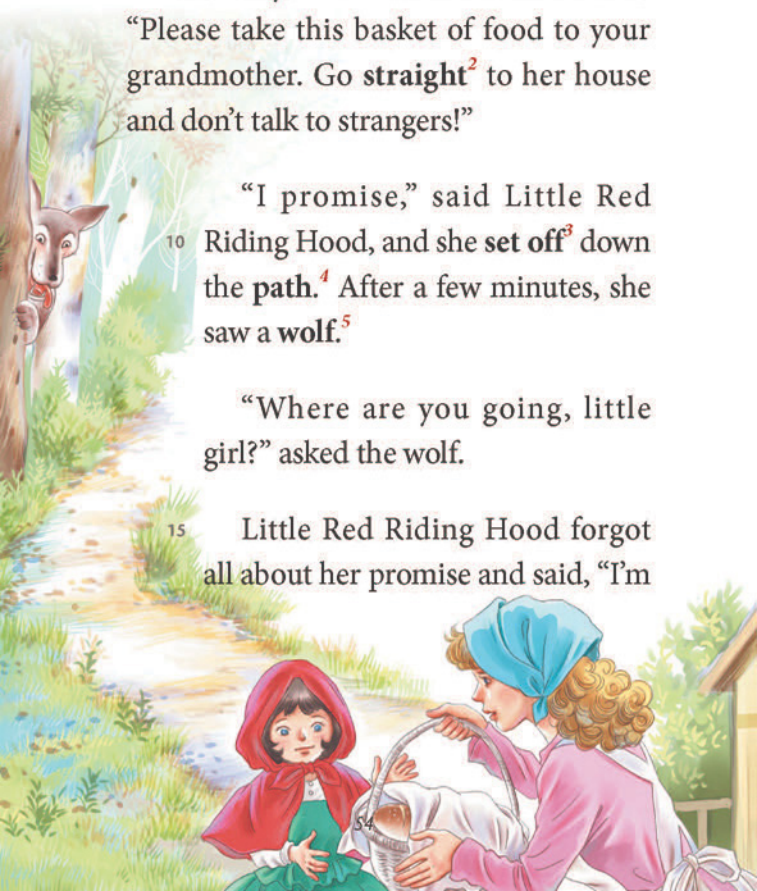

Once upon a time, there was a little girl **who** lived in the woods with her mother. Her name was Little Red Riding **Hood**.¹

5 One day, her mother said to her, “Please take this basket of food to your grandmother. Go **straight**² to her house and don’t talk to strangers!”

10 “I promise,” said Little Red Riding Hood, and she **set off**³ down the **path**.⁴ After a few minutes, she saw a **wolf**.⁵

“Where are you going, little girl?” asked the wolf.

15 Little Red Riding Hood forgot all about her promise and said, “I’m

going to Granny's⁶ house!"

The wolf quickly ran to Granny's house. He burst through⁷ the door and
 20 locked⁸ Granny in the basement.⁹ Then
 he put on Granny's pajamas,¹⁰ got into
 her bed, and waited.

很久很久以前，有一個小女孩和媽媽住在森林裡。
 她的名字叫小紅帽。

有一天，媽媽對她說：「妳把這籃食物拿去給外
 婆。直接去她家，不要和陌生人說話喔！」

小紅帽說：「我保證不會。」說完便出發走向林間
 小徑。不一會兒，她看見了一隻大野狼。

大野狼問：「小女孩，妳要去哪裡啊？」

小紅帽把答應媽媽的話忘得一乾二淨，
 她說：「我要去外婆家！」

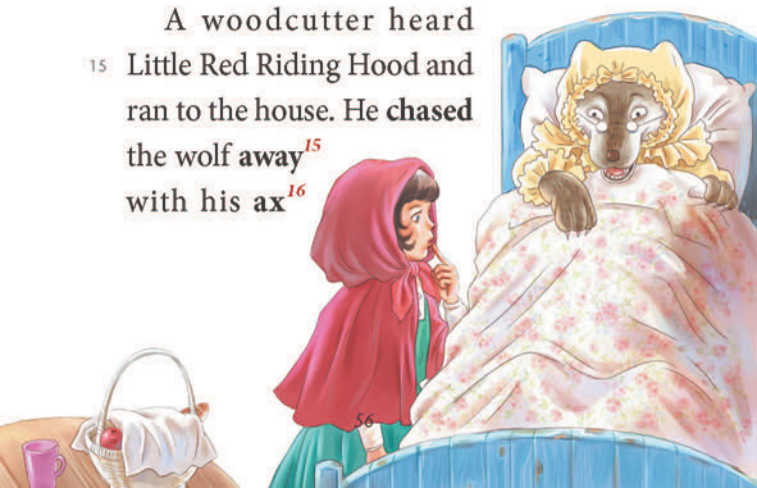

大野狼很快地跑到外婆
 的家。牠衝進門裡然後把外
 婆鎖在地下室，接著牠穿上
 外婆的睡衣，鑽進她的床，
 等待小紅帽到來。

A few minutes later, Little Red Riding Hood arrived. She was surprised that Granny looked so different! “**What big eyes you have**, Granny!” she said. “The better to see you with,” said the wolf. “And **what big teeth you have!**” “The better to eat you with!” **shouted**¹¹ the wolf. And he jumped out of the bed to eat Little Red Riding Hood.

10 The wolf **chased**¹² Little Red Riding Hood around the **bedroom**.¹³ “Help! Help!” **cried**¹⁴ Little Red Riding Hood. “A hungry wolf is trying to eat me!”

A woodcutter heard
15 Little Red Riding Hood and ran to the house. He **chased** the wolf **away**¹⁵ with his **ax**¹⁶

Hoodwinked!

The story of Little Red Riding Hood dates all the way back to the tenth century, and it has been adapted and retold many times, through songs, cartoons, films, plays, and even horror movies. One of the most interesting and funny retellings of the story is the animated *Hoodwinked!* which was released in 1995.

The beginning of the movie is the same as the fairy tale we all know and love, but after Red discovers that her grandmother is a wolf in disguise, the police show up and start investigating. It turns out that the wolf is an undercover reporter, the woodcutter is an actor who was auditioning for a commercial, and Granny is a thrill-seeking adventurer who was involved in a ski race earlier that day. It's a hilarious story and a fresh take on a classic tale.
