TRACK 05

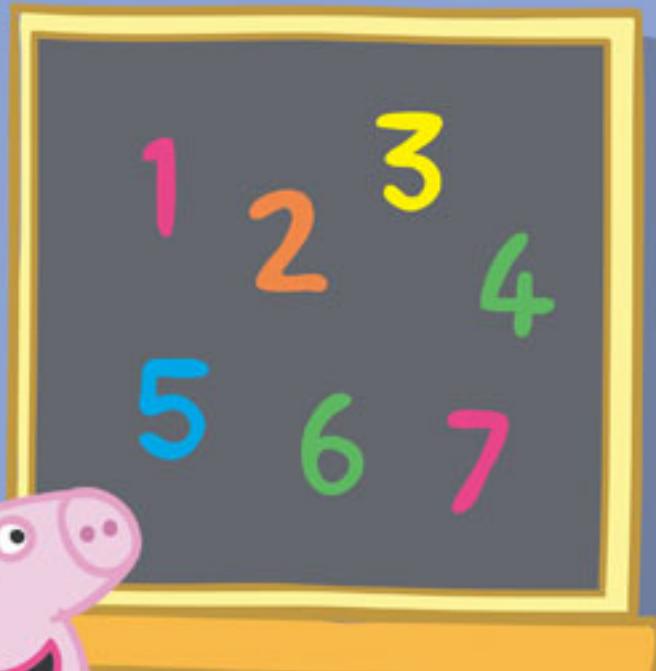

The next morning, Delphine visits Peppa's playgroup.

Peppa says, "Madame Gazelle, this is my French friend, Delphine. She sang a pretty French song last night. Can we teach her an English song?"

Danny says, "how about the Bing Bong song?"

Can you choose the correct set of chalks that have been used on the blackboard?

TRACK 06

The children start to sing the bing bong song together while Delphine listens. She is happy to learn so many English words, such as, “bing”, “bong”, “bingly”, “bungly”, and “boo”! Everyone laughs and has a great time singing together.
