My Crazy Dream

一場怪夢

Sunday - 4:00 p.m.

I had a crazy dream on Friday night! This is what happened.

First, I was in my kitchen. In the kitchen, there was an elephant! The elephant gave me breakfast. Then, I looked at the clock. Uh-oh! I was late for school.

I ran through the front door, but I didn't go outside. I ran into my classroom instead! My teacher saw me. "You're late, Ben. You have a test today. Are you ready?" she said.

It was just my alarm clock! I woke up, and I realized I didn't have a test. It was Saturday!

捕夢網

DREAM
catchers

課文朗讀 MP3 18

捕夢網是美國印地安的一種傳統文化。印地安小孩做惡夢時，父母都會在其床頭上掛一個捕夢網，用來驅除惡夢。好夢則會通過捕夢網的羽毛而留下來。

Dream catchers are an American Indian tradition. The web catches bad dreams. Good dreams fly through the feathers.

You will need these things:

paper
plate

scissors
string

hole
puncher

feathers
beads
markers

1 Cut out the middle of a paper plate.

2 Use markers to color the plate.

3 Punch nine holes in a circle around the big hole in the middle.

4 Punch three holes into the bottom of the plate. Punch one hole at the top of the plate.

5 Bring a big piece of string through the nine holes and make a web. You can put beads in your web.

6 Tie the ends of the string together.

7 Take a piece of string. Add beads to the string. Tie a feather to the bottom. Make three of these.

8 Tie the strings through the bottom three holes of the plate.

9 Put a small piece of string through the top hole and tie it. Now you can hang it in your room!
