Baby Bear meets Little Bunny  
in the woods.

"Is happiness around here?"

"Yes, happiness is  
always here  
when I eat carrots."

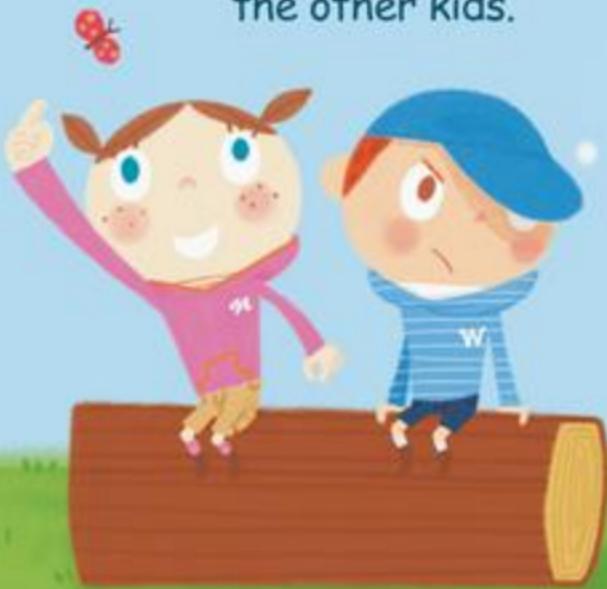

Today,  
Woody's class goes camping.

Woody just sits on a log  
with his only friend, Nora.  
He doesn't want to help out  
the other kids.

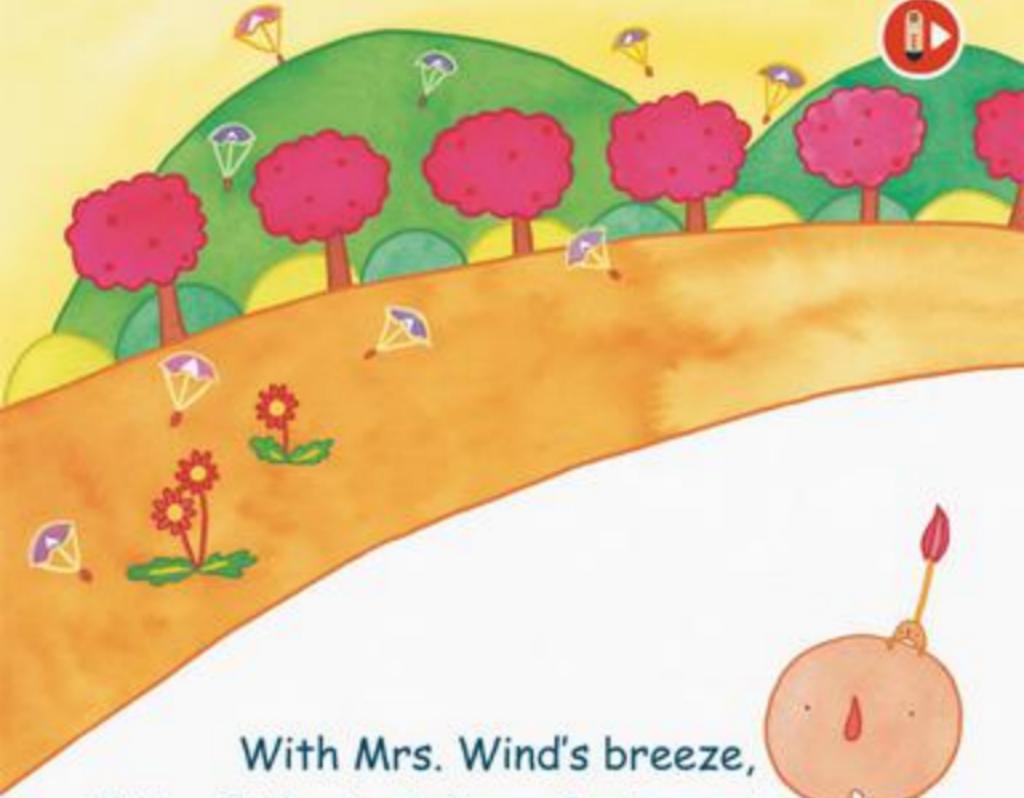

When all the other little elephants are singing happily together, Charlie just sits quietly aside listening to them.

Charlie sometimes sings his own songs  
when he is alone.

With Mrs. Wind's breeze,  
all the little dandelions fly toward  
where they dreamed.
