One day, Ralph the Puppy
moved to Sleepy Tree Town.

Everyone welcomed him and said,
"Welcome to Sleepy Tree Town, Ralph!"

Leo and Ben were good friends.

One day, Leo wanted to take a trip,
and he asked Ben to go along with him.

On the day that they were about to set off,
Ben started to worry, "What should we do
if other birds come and destroy our nests
while we are away?"

Once upon a time, there was a lazy little bear that lived in the woods.

Little Bear was too lazy to look for food and he knew nothing about cooking.

Little Bear liked
Little Bunny's
homemade
carrot cake.

Little Bear also loved
Little Squirrel's
freshly-baked
acorn pie.

He surely wouldn't
miss Little Goat's
green grass salad.

It was a nice warm day.
The sun shined brightly.
